It was lovely to see so many of our swimmers at our Annual Awards, there was lots of dancing from our younger members on the sparkly dancefloor early on in the evening... as they got tired and left, our older member took over and danced until close.

Enrolment - Fees

You will have received your request for payment with this email. Please remember the term has now been split in two. You will receive a further request for payment at the beginning March (this was decided by the committee in order to spread the payments due to the rise in the cost of living). Please speak to Emma Hardy if you need to discuss payment options.

Please ensure you pay fees by **Wednesday 4th January 2023** so it allows us plenty of time to invite new swimmers and ensure all swimmers are insured prior to the start of term.
